

Chinese 2 An example of the third paragraph

(3) Tell your friend to meet you at the campus café and advise him/her where the café is relative to other campus buildings. You will both walk from the café to the school metro bus station to take a bus to the Beijing Railway Station. You tell your friend that the restaurant is not very far from the Railway Station. Describe how to get to the restaurant from the Beijing Railway station (see Pictures C & D).

The points you must include in giving your friend location of the Campus Café, the bus station and the Restaurant:

- Use the following Chinese terms 知道、怎么走、在哪儿、过 (as a particle).
- Show that you know how to describe the location of the café relative to other campus buildings
- Show that you can describe whether two places are close to or far away from one (离... 很近 / 不远).
- Show that you can state where you are heading and the purpose of going there (要到...去).
- Show that you can describe how to go from one place to another place in Chinese (往...一直走...过...拐 / 转).
